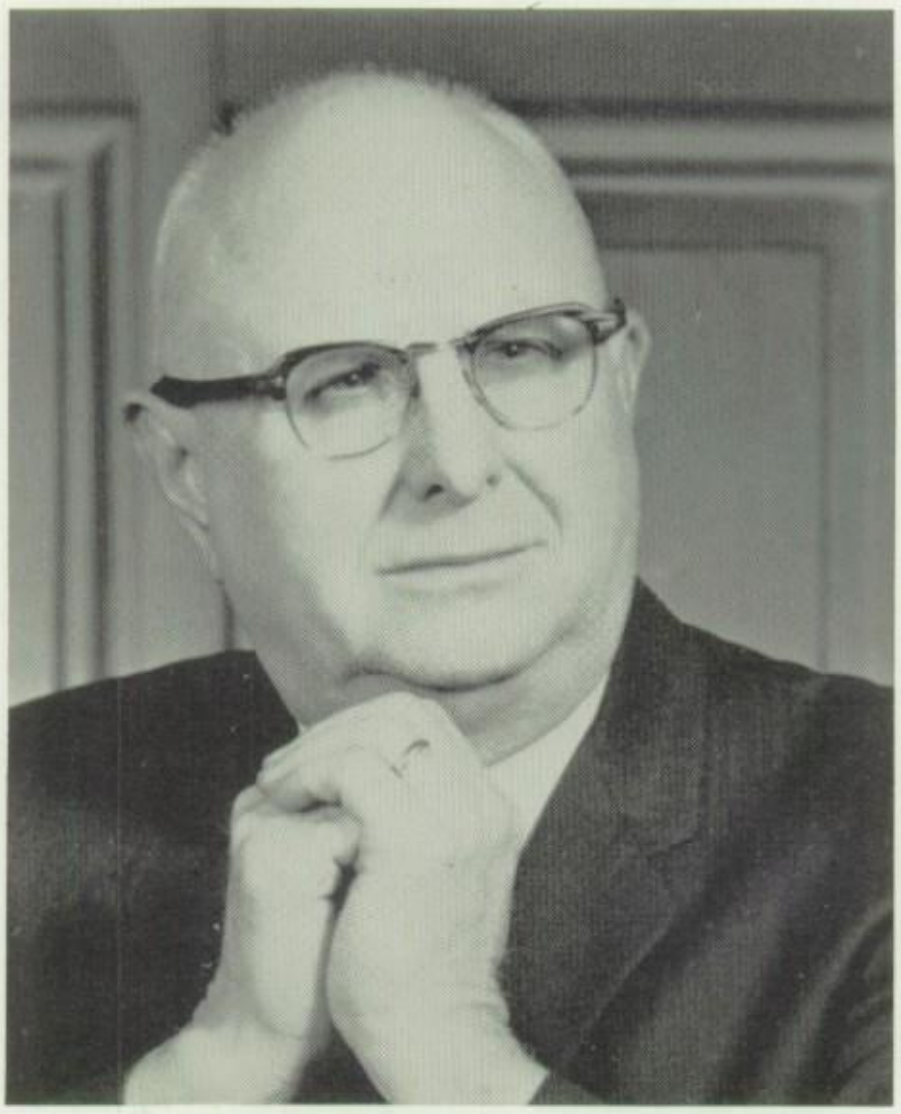
Dedication



DR. SHERMAN G. WAGGONER

To you, Dr. Sherman G. Waggoner, former principal of Southwood High School, we proudly and respectfully dedicate the 1965 edition of the Lance. Your guidance during Southwood's first two years will never be forgotten by faculty or students. You have held the love and respect of students while guiding them.

Dr. Waggoner received his A.B. at Ball State Teachers College, and his M.A. and Ph.D. at Iowa State University. He served as teacher, principal, and superintendent at several different high schools and colleges.

Like all well-rounded individuals Dr. Waggoner has developed interests in many fields. Some of these include watching baseball and basketball games, gardening, and barbecuing his favorite dish.

In this your year of retirement from service in public education we, representing all classes and graduates, take this opportunity to show our appreciation. Your guidance and understanding have earned for you a place of highest esteem in all our hearts.

School Board Links Community With Education

MRS. BONNIE HUMMEL

MRS. HELEN GRAHAM

PRINCIPAL

Southwood High School is now in its third year. The effectiveness of any school is determined by the bond of understanding between students, teachers, and the community.

No system of schooling or of rearing children at home can be considered any longer as a little local game. The world is its criterion. The next generation will be its justification.

We strive to make Southwood High School a place, where students may determine their interest fields and then develop these areas to the fullest. Our aim and goal is to develop a more varied curriculum—one that will serve more students to a better degree. The objective of education today may be stated as the "Seven R's;" Reading, 'Riting, 'Rithmetic, Reasoning, Responsibility, Resourcefulness, and Realization of the importance of achieving worthy goals and purposes.

It is my earnest hope, that the students, faculty, and community work toward a common end to achieve the above stated policy.

Sincerely

Charles Emrick

JOAN BARNETT
Homemaker of Tomorrow

Goals of The American Homemaker of Tomorrow are:
Enhance dignity of the home
Stimulate interest in homemaking
Emphasize contributions to the home by high schools and teachers

Dear Friends:

When I first arrived at Southwood High, I couldn't even imagine that a school (if I can call Southwood a school, I'd rather call it "A Second American Home") could make my heart feel so warm and so grateful to the Lord that sent me among good friends like you have been to me.

I enjoyed talking to you, laughing with you, participating in club activities, pep-sessions, and ball games, things that I never did in my country, and that I like the most; but most of all I enjoyed YOU, your talking, your friendship, your personalities that make me realize how different yet how similar teenagers of different countries can be.

Thanking you again, I give to you, Ladies and Knights of Southwood, my wishes of best luck always and all my love.

Your Italian Friend,
Ella

In Memoriam

"To live in hearts one leaves behind is not to die"

Ray Scribner

We of the 1965 Lance Staff would like to take this opportunity to pay tribute to Mr. Ray Scribner, school photographer. Through his guidance we began our yearbook. His death last August was a shock to all of us. We will always remember and be thankful for his patience and help.

Paul Spacey

Students of Southwood High School missed a familiar face this year, that of Mr. Paul Spacey, head custodian. He died suddenly last September from a heart attack. Now, perhaps too late, we want to recognize all of the things he did for our school to make it a more pleasant place.

Southwood

School Song

Cheer, o cheer for Southwood High School
Victory is near.
We're going to win this game and spread our fame
So give a mighty cheer. RAH RAH RAH
Firm and strong, united and true.
Southwood High School we're all for you.
Cheer, cheer for our fair name
Southwood High School let's win this game.

GO KNIGHTS GO
FIGHT KNIGHTS FIGHT
SHOOT HIGH—SHOOT LOW
GO KNIGHTS GO

(Repeat the first stanza)

School Hymn

With-in the halls of freedom dwells
The spirit of our school.
Where lives are molded day by day
And friend-ships are so true.

In days to come we will recall
Old memories we held dear.
O' Southwood High we'll sing thy praise
Thruout the coming years.

So as Never to Forget
